Patience! See attached press release and communications plan. Release is set for 10:30 PST.

I'm very proud of the work of this team! This should be a featured highlight of the SSWR Program.

Good news!

We are cleared to release the draft BB assessment on Friday.

Jim – you should work with Clark to finalize the comms materials.

Jeff – your team should send the draft FR notice to the Register and get the package ready for posting on Friday.

Thanks to all for a great job.
